Ask us for our advice

[GREAT WALL IP®](http://GREATWALLIP.com) invites all qualified China IP professionals to sign up and submit their biographical information for publication through the website. Further, China IP Professionals are invited to submit their China-centric legal articles for publication on our website as well. Registrants that publish their articles online are sure to raise awareness of their China IP law firm or other IP practice among potential clients seeking skilled China IP professionals.

If you're fluent in Chinese and are a China intellectual property professional, such as a registered China patent agent, a china IP attorney, a China patent searcher, a China-based expert on Chinese IP law or IP enforcement, or a Chinese national that is a foreign-based registered patent agent fully conversant in Chinese and whose practice focuses primarily on Chinese intellectual property matters, then you are a candidate for inclusion as a [GREAT WALL IP® .com](http://GREATWALLIP.com) individual registrant. To qualify as a firm registrant, you must have at least one person on staff that fits the above criteria and that person must be registered individually on our site along with the firm profile.

Registration is free and simple. Just visit this page: www.greatwallip.com/signup.asp.

If you have any questions about registration, please contact us at +41 71 230 1000 or by email to info@greatwallip.com, and find out more.

"This site should prove of significant value to those who wish to keep up-to-date with China-oriented IP information, or to find experienced China patent or trademark counsel or other China IP professionals" said John Moetteli, the managing attorney of Da Vinci Partners LLC and a former delegate to the People to People ambassador's program of US patent attorneys to China.

"Our goal is to enable Western patent and trademark attorneys to find a qualified China IP attorney or agent using their online professional profiles, and to receive a quick cost estimate for filing a China national stage of a PCT application using the site's Chinese National Stage fee calculator".
